## INTRODUCTION

### HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Catherine and William, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Catherine and William, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

## **LIFE PATH**

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Catherine, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

### ***Catherine, your Life Path is 12/3***

You possess a great talent for creativity and self expression. Many writers, poets, actors and musicians are born under the 3 Life Path. Catherine, you are witty, possess a gift for gab, and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent. Thanks to your gift for self expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks. You are socially active,

popular, and inspire people with your sunny "happy go lucky" attitude. Catherine , you can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you. When used positively, your talent for self expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

### ***William, your Life Path is 11/2***

William, you have the potential to be a source of inspiration and illumination for people. You possess an inordinate amount of energy and intuition. There is so much going on in your psyche that you are often misunderstood early in life, making you shy and withdrawn. You have far more potential than you know.

You galvanize every situation you enter. You inspire people, but without your conscious effort. Energy seems to flow through you without your controlling it. This gives you both power and sometimes emotional turmoil.

You are a channel for information between the higher and the lower, between the realm of the archetype and the relative world. Ideas, thoughts, understanding, and insight -- all of these can come to you without your having to go through a rational thought process. There seems to be a bridge, or connection, between your conscious and unconscious realms, attuning you to a high level of intuition through which even psychic information can flow.

All of this amounts to a great capacity for invention. Many inventors, artists, religious leaders, prophets, and leading figures in history have had the 11 prominent in their chart.

Because you are so highly charged, you experience the consequences of a two-edged sword. You possess great abilities, but indulge in much self-reflection and self-criticism. You often feel highly self-conscious. You are aware on some level that you stand out. Even when you try to blend with your environment, you often feel conspicuous, alien, and out-of-place.

William, you are blessed with a message, or a specific role to play in life. But you must develop yourself sufficiently to take full advantage of that opportunity. Until that time, your inner development takes precedence over your ability to materialize the great undertaking you were chosen to perform. Consequently, 11s seem to develop slowly, but they simply have more to accomplish in their evolution than the average person. Thus, your real success does not usually begin until maturity, between the ages of 35 and 45, when you have progressed further along your path.

You may often be frustrated, largely because you have extremely high expectations of yourself. But these expectations can be unrealistic, and can prevent you from accomplishing anything. You can be very impractical, envisioning a skyscraper when all that was necessary was a two-story house.

You may also suffer from bouts of confusion and lack of direction. This gives rise to loss of confidence and the onset of deep depression. The cause of these emotional problems is your lack of understanding of your own sensitivity and potential. Your desire to achieve some great ambition is enormous. However, a lack of confidence in your own ability to realize this dream may cause you much frustration. You sense the enormous potential you possess, which requires equally enormous confidence in your ability to materialize your dream. Confidence is the key that unlocks your potential.

On a strictly physical level, you must protect your nervous system, which is inordinately vulnerable to stress because of your acute sensitivity. Depression is often the result of long periods of stress that have gone unrelieved. Seek out peaceful and harmonious environments, relaxing music, and follow a healthful diet in order to restore balance and peace.

As an 11 Life Path, you are a highly charged version of the 2 and possess many of the characteristics and talents of that number.

You can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions. You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

William, you are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy. However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively.

You are a fine companion and possess a good sense of humor.

When you have found your niche in life and begun to realize your true potential, your rewards will more than compensate for your trials earlier in life.

### ***Your Life Path's compatibility is 3 and 2***

Catherine and William, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

William, as a number two, you are not very well equipped to deal with criticism and confrontations - - you are vulnerable and can hold a grudge. On the other

hand, Catherine , as a number three, has an in-born ability to let negative criticisms bounce off without letting them do much damage. That does not mean that Catherine can't be hurt, but simply that Catherine does not allow little things to spoil the experience. And that is exactly where a possible danger exists. A bit tactless at times, Catherine can occasionally put the foot in the mouth, without realizing that this has a negative effect on William. However, when "little things" grow into big emotional issues in which even Catherine is strongly affected, Catherine will respond passionately. Catherine may even lose sight of the beauty and love that is the foundation of your relationship, letting anger and sharp verbal skills do considerable damage. William will respond, perhaps with a few angry words, but, more likely, by withdrawing. Thus, a hard kernel of resentment wrapped up in confusion and sometimes hidden from view for a long time - since William doesn't think too clearly when emotions are in play and tends to walk away from confrontations - may eventually become a source of such discontent that it will take everything Catherine has to offer to bring William back. On a more positive note, the combination of 2 and 3 is a very passionate and strong one. So, as long as Catherine keeps verbal impulses under control, and William has enough self-confidence to handle occasional criticisms, the relationship has every chance of bringing lots of love and joy to your life.

Often, the combination two and three in this aspect of the chart also enhances each other's creative juices. The sense of harmony and rhythm connected to the two merges beautifully with the powers of expression so native to the three. Your relationship is strengthened enormously by sharing creative interests, and that is where you should concentrate your efforts.

Keep in mind that beauty and love lie at the bottom of your relationship, and that it is in your own hands to gradually destroy or make them stronger day after day. Discuss any issues - open and frank, but also with tact and sensitivity - as they come up.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### ***Catherine , your Expression is 24/6***

Catherine , you are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother or Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love".

You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most balanced of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute.

Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love

and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

### ***William, your Expression is 20/2***

You have a great talent for working with others; you possess tact and refinement. William, you have a highly developed intuition. This provides you with insight into personalities and situations. Therefore, you act with tact and subtle persuasion. You possess a kind of radar, avoiding the landmines within another's personality, yet bringing out their goodwill. These abilities make you the perfect diplomat.

Your abilities are better expressed while working with others than by working alone. In the same way, you perform better in a partnership than in a leadership role.

You seek balance and peace in all relationships and situations. The key to your personality is sensitivity, but there are two sides to the coin: You have the ability to perceive the thoughts and emotions of others, and can work gently with others for a mutually shared goal. This makes you a great asset in any group endeavor.

However, your sensitivity makes you vulnerable. William, you can be thrown off balance by an unkind word, a conflict, or by hostile conditions at work. You are far more upset by these conditions than people without your sensitivity. While others appear to be enduring troubled times with a modicum of turmoil, you suffer the turbulence of life as if your very survival were at stake.

In difficulties, you tend to persevere and steadily erode the resistance. You are like a gentle wind that shapes the rock.

You are friendly and open-minded. You are a great support person, pulling the best out of those around you. You are the power behind the throne. You are indispensable to the leadership of another, providing insight and advice that is essential. Yet, despite the invaluable service you provide, you often do not get the credit and recognition you deserve, which can be frustrating. Your natural modesty and the enjoyment you get from being an important asset is usually satisfaction enough for you.

Close relationships are essential to your happiness. When single, you dream of finding your "soul mate." When married, you are concerned with your spouse's needs, emotions, and thoughts. You are an outstanding marriage partner, giving, thoughtful, and conscious of meeting the needs of your loved one. William, you provide great support for your spouse's career. You are a passionate lover.

Parenthood is not an easy role for you, probably because you lack the will to enforce discipline and need a tranquil, delicate, and harmonious environment.

You are blessed with a high degree of musical talent. You have a good sense of rhythm and harmony.

You are a good counselor with an inborn talent for psychology and finely tuned intuition.

### ***Your Expression's compatibility is 6 and 2***

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Two and six are considered the most loving numbers of all. However, their love expresses itself in different ways. William, your two, in this part of the chart, reveals sensitivity, awareness of emotional forces in yourself and others, and an ability to recognize the subtle and often hidden motives in others. Catherine, your six points to a powerful urge to care and protect, to shelter those you love and to comfort them. In fact, one of the few traits a six has to guard for is not to smother others with its love.

William and Catherine, this combination forms a strong foundation for any relationship, but in particular for a romantic one. You both love easily and without holding back. You are not afraid to reveal your feelings. However, it is only in the strength of their love and their need for sharing and giving that these two numbers overlap. In many other respects, they are very different and, sometimes, even opposite. William, your love is one of feelings and emotions driven by the need for companionship, security, and comfort. It is intuitively aware of the fragile nature of life and therefore has a tendency to be somewhat needy and insecure. A negative expression of this insecurity is jealousy, perhaps even towards people Catherine may have a business or friendship relation with. If Catherine gives too

much time and attention to someone else, William may have some difficulty in accepting that. Catherine , on the other hand, can be oblivious to the subtle signs that something is brewing underneath the surface. Catherine feels comfortable in a romantic relationship and does not share this kind of insecurity.

Although Catherine is not particularly afraid of romantic competition, Catherine's demons also show up in this relationship. Where William requires attention and emotional contact to feel comfortable, Catherine may tend to spread attention around in search of other people's approval and gratitude. Like a parent with grown children, Catherine reaches out to take care of, and comfort others, as a way to fill a space that can't be filled. By doing so, Catherine may forget who and what is really important, a trait typical to the six.

More often than not, neither the occasional jealousy nor envy of the two, nor the aimless mothering of the six, can do more than put a dent in this relationship. The two and the six are very compatible and the likelihood of a crash is smaller than in most other number combinations.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Catherine , your Heart's Desire is 6***

Catherine , your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too

deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Catherine , you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Catherine , your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

### ***William, your Heart's Desire is 11/2***

William, you have wisdom beyond your years. Even as a child, your understanding of life was considerable, though it likely went unrecognized by others.

You are a born peacemaker. You are driven by a desire to settle conflicts and create harmony. You are a healer and a visionary. You long to make the world a better place, and cannot rest until you have dedicated your life to some worthwhile cause.

Your realm is ideas and philosophy. You are attracted to the world of energy more than to the mechanical or material planes. Philosophy, religion, and less traditional forms of healing are among your specialties.

You are obsessed with the quest for enlightenment.

You are extremely sensitive and possess a high degree of intuition. Subtle messages and feelings of others do not escape your attention. You are

powerfully aware of the thoughts and feelings of others. Unless you are well grounded, this can throw you about emotionally. Your awareness can be both a gift as well as a problem, because you so deeply desire to please others and keep harmony in your environment.

Many 11s were born into extremely hostile or turbulent families. This often resulted in psychological pain, lack of confidence, and shyness during childhood. Somehow, the child with an 11 heart's desire recognized the sources of his family's problem. This created an internal conflict for the child, who naturally loved the troubled parent, but could not cope with that parent's behavior.

Therefore, many 11s are scarred early in life. They understand the sufferings of others and seek to be of service in some way.

This is, in fact, the easiest way for you to heal yourself and find your greatest satisfaction.

William, you understand the importance of close, loving relationships. Therefore, you are selective in choosing your friends and spouse. You are a romantic, idealistic, but somewhat impractical person. Unless you have other balancing characteristics (as indicated by 1s, 4s, and 8s in your chart), it is wise to team up with a more practical and realistic partner.

You have a magnetic and charismatic personality. You like pondering abstract matters. Your intelligence is electric. Ideas, solutions to problems, and inventions seem to come to you as if out of the blue.

You are highly charged and intense. This can cause nervous tension. You need to care for your nervous system with ample amounts of rest, a peaceful environment, and proper diet -- avoiding extreme foods and drugs.

You are often more concerned with universal justice than with the individual.

The 11 is a master number, possessing great potential. It has been entrusted to you as a gift that you are worthy of. The key is to maintain a hold on your ideals and seek ways to practically implement them.

William, you have a specific role and gift to give to the world. This requires time and maturity to fully comprehend. But with patience and perseverance, you will discover why you felt different and even unique as a child. At that time, you will discover that what made you feel weak as a child will make you strong and confident as a mature adult.

### ***Your Heart's Desire's compatibility is 6 and 2***

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Catherine and William, as you can see, the numbers that define the compatibility of your Heart's Desire are identical to those found in your

Expression.

This increases the influence of both the positive and the negative attributes as described in your Expression's compatibility. It is particularly difficult to overcome the negative influences as revealed under your Expression.

Go back and read your Expression's compatibility again for a better understanding of how the increased influence of these numbers can effect your relationship. Learn to recognize the negative attributes of these numbers and be vigilant in your efforts to prevent a break down that could easily result if the negative influences of these numbers are allowed to dominate.

## PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Catherine and William, your Personality is 36/9***

Catherine and William, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Catherine, you have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others.

Many actors, dancers, and other performers have a 9 Personality Number. You are elegant, graceful, and charismatic. Many admire you.

You have the kind of stature that pulls people to you or repels them intensely.

Some are jealous of you and may seek to belittle you.

You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world.

Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

Catherine, you are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing.

You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

### ***Your Personality's compatibility is 9***

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Catherine and William, this combination often creates a partnership that goes well beyond romance. Both idealists, you are sufficiently focused and have enough clarity of purpose to devote your life to a single goal, paying little or no attention to the monetary aspect. Contrary to what one might expect, this often results in financial prosperity, albeit not until somewhat later in life.

Most likely, Catherine and William, recognition of similar souls was responsible for the initial attraction between you. Endless conversations that were mutually inspiring helped you realize that your dreams were attainable and that you needed and wanted the company of each other. The bond is strong and will not weaken over time, since you thrive on each other's experiences. The compatibility is powerful and strengthens each of you as individuals.

You may find yourselves choosing almost identical careers, perhaps even within the same organization or institution. All these similarities make others see you as an unbreakable couple, the kind of bond that often exists between brothers and sisters.

However, some pitfalls may exist, even in this extremely compatible combination. Catherine and William, in extreme cases, the number nine shows a tendency to believe in ideals to such an extent that it turns into an obsession.

Self-righteousness, narrow-minded moral values, and religious fanaticism are not uncommon, nor are arrogance, pride, and a superficial confidence. That explains the fact that the number nine is often found among political and religious

extremists. Excessive belief in your ideals may cause problems to your relationship. It is important for both of you to remain open to other people's ideas, to respect their different opinions, and to remain humble within yourselves. Catherine and William, the only real danger in a relationship between the nine's found in this part of the chart appears when either or both of you lose your ability for self-criticism and self-reflection. It is essential to keep in mind that even in idealism, moderation is required - in fact, it is the keyword to safeguarding this otherwise excellent number combination.

## PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Catherine, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. ### ***Your Personal Year's compatibility for 2018 is 3 and 2***

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

William is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving William more vulnerable than usual. At the same time, Catherine is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Catherine feels quite confident and won't dwell on emotions as much as during other times. William, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on William's part, contrary to Catherine who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Catherine doesn't understand why William is getting so upset about some minor argument, while William wonders why Catherine seems so unattached and distracted, almost as if William's feelings don't matter. This is a time, Catherine, to pay close attention to William and the relationship you have together. For William, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Catherine seems a bit caught up in other things, that's because Catherine feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

### ***Catherine, your Personal Year for 2019 is 4***

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and

versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long.

Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful.

This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Catherine, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

### ***Your Personal Year's compatibility for 2019 is 4 and 3***

William and Catherine , this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For William, this is a time to relax and smell the roses, while Catherine needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Catherine needs to accept the fact that William is not as disciplined and ambitious as usual, while William should not try to talk Catherine into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

William should be allowed to back off a little from the daily grind, while Catherine should be supported and encouraged throughout this rather demanding period.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

### ***William, your Personal Month for January 2018 is 3***

William, January is a 3 Personal Month in a 2 Personal Year. Hence, the month brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a certain caution born of inner change and the emotional ups and downs that arose during the previous 18 months.

You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

William, you are also reflective and relaxed. Take time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

### ***Your Personal Month's compatibility for January 2018 is 4 and 3***

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

William and Catherine, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For William, this is a time to relax and smell the roses, while Catherine needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Catherine needs to accept the fact that William is not as disciplined and ambitious as usual, while William should not try to talk Catherine into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different

directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

William should be allowed to back off a little from the daily grind, while Catherine should be supported and encouraged throughout this rather demanding period.

### ***Catherine , your Personal Month for February 2018 is 5***

Catherine , February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Catherine , you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

### ***William, your Personal Month for February 2018 is 4***

William, February is a 4 Personal Month in a 2 Personal Year. You will realize early this month that progress depends upon your willingness to work diligently and remain focused on details.

You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going.

Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

This is an excellent month to improve your financial position, particularly through better management. Through your consistent and patient effort, a raise

or profitable business deal is also in the cards.

Relationships tend to be a little shaky for most of this month. William, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

***Your Personal Month's compatibility for February 2018 is 5 and 4***

William and Catherine , this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for William, and a time of change, excitement, and dynamic energy for Catherine . As a result, Catherine is in a position to help William to keep moving forward and not get too frustrated by the demands of this cycle, and William will be able to function somewhat like an anchor for Catherine . Catherine can certainly use the stable influence of William during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

***Catherine , your Personal Month for March 2018 is 6***

Catherine , March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and

June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

***William, your Personal Month for March 2018 is 5***

William, March is a 5 Personal Month in a 2 Personal Year. It brings some relief from last months' frustrating efforts to persuade others and to keep track of the details.

This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way.

The expression "being in the flow", is instructive for most of this month and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good.

A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance, but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

***Your Personal Month's compatibility for March 2018 is 6 and 5***

William is in a cycle of change and highly charged energy. Catherine is in a cycle of stability and responsibility. William's energy is restless and dynamic, Catherine's energy is focused and grounded. William is looking around for opportunity and adventure. Catherine is looking at the home and the family. Catherine's attention is focused near by, on the people and things that matter most. William's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, William and Catherine, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different

cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

### ***Catherine , your Personal Month for April 2018 is 7***

Catherine , April is a 7 Personal Month in a 3 Personal Year. The month represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your own deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer you insight into your life's direction.

William, your family and friends need more attention and you will likely find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person,

particularly, needs your love and attention.

Your career is guided favorably by the Force. There is an increase in your workload and responsibilities due to a promotion -- or one that may be in the offing. The change may well bring financial rewards.

This is a good time for finances, particularly those related to real-estate.

### ***Your Personal Month's compatibility for April 2018 is 7 and 6***

William and Catherine , you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. William is reaching out to people, Catherine is avoiding them. William is more extrovert than usual, Catherine is seeking peace and quiet.

A positive influence during this time is found in the fact William more tolerant and giving, willing to sacrifice here and there to accommodate Catherine . This is an important and much needed factor to make this a harmonious time. Catherine is not very patient right now and doesn't want to be bothered.

William, it is important to remember that if Catherine seems a bit cool and distant, this has nothing to do with the relationship. Catherine is doing some soul searching and needs to be given some space and distance. Catherine , it is crucial not to forget William and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Catherine . Your relationship with your friends, your family and with William will last a lot longer than this period of self-examination and spiritual exploration.

### ***Catherine , your Personal Month for May 2018 is 8***

Catherine , May is an 8 Personal Month in Catherine , May is an 8 Personal Month in a 3 Personal Year. It brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year.

For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt.

Catherine , you are in a generous mode and feel blessed with so many good friends and such a wonderful lover, but when it comes to commitment, you may want to wait a couple of months when you are more realistic in these matters.

For those who are not involved in a relationship, a "co-incidental" meeting with a person from the past brings an exciting romance.

### ***William, your Personal Month for May 2018 is 7***

William, May is a 7 Personal Month in a 2 Personal Year. The combination leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your own existence, your purpose in life, and your direction.

You find yourself taking time off to read, meditate. Your interests are spiritual, not worldly. It's an excellent time to take a vacation, as long as you avoid group-activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort, but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious.

Be particularly alert to your dreams and the direction and insight they offer.

### ***Your Personal Month's compatibility for May 2018 is 8 and 7***

William, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Catherine is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, William, are drawn to examining your own life, where you are going, and even why you are doing the things you do. William and Catherine , the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Catherine is out there, full of plans and visions, while William is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Catherine , when you should not try too hard to get William involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

### ***Catherine , your Personal Month for June 2018 is 9***

Catherine , June is a 9 Personal Month in a 3 Personal Year and brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot really put your finger on. It is a time to let go of many old things and prepare for the new.

You have had a number of good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period.

The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during the course of this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

### ***William, your Personal Month for June 2018 is 8***

William, June is an 8 Personal Month in a 2 Personal Year. Now the time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends; and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable, but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate.

Leave such issues alone for now. The domestic scene is better handled next month, when all dealings with relatives are easier and smoother.

### ***Your Personal Month's compatibility for June 2018 is 9 and 8***

William and Catherine , as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For William, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for William during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Catherine , this is a time when everything feels shaky and insecure.

Catherine needs William right now. Catherine needs the human contact, the commitment and the security William has to offer more than during most cycles. With William's focus on the world outside the relationship, and Catherine needing William's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

William, pay attention to Catherine . You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Catherine 's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, William and Catherine , you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

### ***Catherine , your Personal Month for July 2018 is 1***

Catherine , July is a 1 Personal Month in a 3 Personal Year. It is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

Many of those in a 3 Personal Rhythm Cycle may finally break out of unrewarding patterns. Some may even make career changes, or start their own businesses. This is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved, you may well meet someone special, but the relationship, while intense and passionate, may not be a lasting one.

This is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts which will help your career and other endeavors.

A warning to the easily excitable: don't brag about your plans and accomplishments. The effect may backfire.

### ***William, your Personal Month for July 2018 is 9***

William, July is a 9 Personal Month in a 2 Personal Year and is both emotional and demanding. This is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. Actually, this is a testing period for relationships in all areas of your life. The 9 and the 2 combination -- both diplomatic, sensitive, and service oriented -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your own needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and/or material packrat. This is the time to empty your cup in order to make room for new gifts coming your way.

This is a transition period. William, you will likely experience deep emotions, even nostalgia and melancholy. At times, you may feel exhausted. Yet, such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level.

You are not entirely conscious of all that is happening, and consequently you may not be able to express your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself and your sacrifice will actually help you achieve stability and inner strength.

This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

This is a month that requires balance: you are feeling emotional yourself, but at the same time you must also focus on the needs of others. If you indulge too much in your own feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your own needs and service to others.

### ***Your Personal Month's compatibility for July 2018 is 1 and 9***

Once every nine years, Catherine and William, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for William, exactly when Catherine is less sensitive than usual. There are few, if any, combinations of cycles as difficult and challenging as this

one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger. For Catherine , the most important piece of advice is to give William plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that William is overly emotional. For William, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional. Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

### ***Catherine , your Personal Month for August 2018 is 2***

Catherine , August is a 2 Personal Month in a 3 Personal Year. It requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month.

You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is also strongly represented and highly favorable. Catherine , your feelings are strong and your ability to communicate these feelings is enhanced. A good month to spend some extra time with your lover.

### ***William, your Personal Month for August 2018 is 1***

William, August is a 1 Personal Month in a 2 Personal Year. It brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm.

Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

William, you likely will be introduced to new people and, if you are not already

involved, one of them may evolve into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

### ***Your Personal Month's compatibility for August 2018 is 2 and 1***

William, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Catherine, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Catherine, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Catherine may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other. William will be the engine of change and progress, while Catherine will steer and redirect. However, William will have to be sensitive and careful and not expect Catherine to be as motivated and driven. In turn, Catherine needs to avoid making mountains out of molehills or letting emotions get the better of common sense. William may also have to accept the fact that Catherine is a bit more demanding than usual.

### ***Catherine, your Personal Month for September 2018 is 3***

Catherine, September is a 3 Personal Month in a 3 Personal Year for you and your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

### ***William, your Personal Month for September 2018 is 2***

William, September is a 2 Personal Month in a 2 Personal Year. The number

11 -- referred to in numerology as a Master number, and therefore highly charged, sensitive and intuitive -- is also prominent in your life now. You are extremely perceptive.

Dreams are full of insight, and seemingly irrational and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of mole hills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

### ***Your Personal Month's compatibility for September 2018 is 3 and 2***

Catherine and William, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

### ***Catherine , your Personal Month for October 2018 is 4***

Catherine , October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, Catherine, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

### ***William, your Personal Month for October 2018 is 3***

William, October is a 3 Personal Month in a 2 Personal Year, and you need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects that are favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure, but avoid stressful situations this month.

Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

### ***Your Personal Month's compatibility for October 2018 is 4 and 3***

William and Catherine, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For William, this is a time to relax and smell the roses, while Catherine needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Catherine needs to accept the fact that William is not as disciplined and ambitious as usual, while William should not try to talk Catherine into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

William should be allowed to back off a little from the daily grind, while Catherine should be supported and encouraged throughout this rather demanding period.

### ***Catherine , your Personal Month for November 2018 is 5***

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

### ***William, your Personal Month for November 2018 is 4***

William, November is a 4 Personal Month in a 2 Personal Year. It's definitely time to get down to business, to focus on work, and finish anything that's been left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture?

You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success.

The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

### ***Your Personal Month's compatibility for November 2018 is 5 and 4***

William and Catherine , this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for William, and a time of change, excitement, and dynamic energy for Catherine . As a result, Catherine is in a position to help William to keep moving forward and

not get too frustrated by the demands of this cycle, and William will be able to function somewhat like an anchor for Catherine . Catherine can certainly use the stable influence of William during this hectic and unpredictable time. The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

### ***Catherine , your Personal Month for December 2018 is 6***

Catherine , December is a 6 Personal Month in a 3 Personal Year. The month stabilizes your work-environment, but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result.

It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload.

This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during the course of this year, this is a good month to exchange vows.

This should be a wonderful time for most of those who are in the last stage of this 3 Personal Year. The holidays bring family and friends together, for much love and the rewards of the season.

### ***William, your Personal Month for December 2018 is 5***

### ***Your Personal Month's compatibility for December 2018 is 6 and 5***

William is in a cycle of change and highly charged energy. Catherine is in a cycle of stability and responsibility. William's energy is restless and dynamic, Catherine's energy is focused and grounded. William is looking around for opportunity and adventure. Catherine is looking at the home and the family. Catherine's attention is focused near by, on the people and things that matter most. William's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, William and Catherine, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

### ***Catherine, your Personal Month for January 2019 is 5***

Catherine, January is a 5 Personal Month in a 4 Personal Year. You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully and your best approach is to persevere.

Later this month, or early next month, an opportunity will come your way that

represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Catherine , your family members demand a lot of attention and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

However, you will have a tendency to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may have a tendency to procrastinate, which can spoil opportunities and damage your career.

This is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house, or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

#### ***Your Personal Month's compatibility for January 2019 is 5 and 4***

William and Catherine , this is a time during which you are under very different influences. ### ***Catherine , your Personal Month for February 2019 is 6***

Catherine , February is a 6 Personal Month in a 4 Personal Year. It brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well.

Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed.

You, in turn, receive comfort and satisfaction from their obvious love for you. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Catherine , your focus should be on being dependable and active.

### ***William, your Personal Month for February 2019 is 5***

William, February is a 5 Personal Month in a 3 Personal Year. It will bring changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip.

Carefully prepared plans confront the unexpected: events and people you had not expected. Those who are flexible and not afraid of changes will enjoy this month, but those who rigidly try to stick to expectations and refuse to adapt will experience a difficult time in which almost nothing works out, no matter how hard you try.

This is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. William, you are open and childlike and for that reason very attractive to the opposite sex.

A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous.

Be cautious and control your appetite for whatever excesses tempt you.

***Your Personal Month's compatibility for February 2019 is 6 and 5***

William is in a cycle of change and highly charged energy. Catherine is in a cycle of stability and responsibility. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. ***Catherine, your Personal Month for March 2019 is 7***

Catherine, March is a 7 Personal Month in a 4 Personal Year and should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life.

You are aware that you are developing spiritually. This is not a good time to deny important issues in your life, or be superficial about significant matters. Your dreams are vivid and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time.

It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be

careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

### ***William, your Personal Month for March 2019 is 6***

William, March is a 6 Personal Month in a 3 Personal Year. It brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible, since the theme of this month is commitment to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships.

Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

### ***Your Personal Month's compatibility for March 2019 is 7 and 6***

William and Catherine, you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. William is reaching out to people, Catherine is avoiding them. William is more extrovert than usual, Catherine is seeking peace and quiet.

A positive influence during this time is found in the fact William more tolerant and giving, willing to sacrifice here and there to accommodate Catherine. This is an important and much needed factor to make this a harmonious time. Catherine is not very patient right now and doesn't want to be bothered.

William, it is important to remember that if Catherine seems a bit cool and distant, this has nothing to do with the relationship. Catherine is doing some soul

searching and needs to be given some space and distance. Catherine , it is crucial not to forget William and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Catherine . ### ***Catherine , your Personal Month for April 2019 is 8***

Catherine , April is an 8 Personal Month in a 4 Personal Year. It promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers

(8 and 4) gives you ample support in all efforts at organization and management.

Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Catherine , your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

### ***William, your Personal Month for April 2019 is 7***

William, April is a 7 Personal Month in a 3 Personal Year. The month represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your own deeper self.

Let career, finances, and romance all take a back seat during this important

spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer you insight into your life's direction.

### ***Your Personal Month's compatibility for April 2019 is 8 and 7***

William, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Catherine is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, William, are drawn to examining your own life, where you are going, and even why you are doing the things you do. William and Catherine, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Catherine is out there, full of plans and visions, while William is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Catherine, when you should not try too hard to get William involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

### ***Catherine, your Personal Month for May 2019 is 9***

You may want to remember that you are not without fault. This allows the anger and disappointment to turn into understanding and forgiveness, even if the situation can not be saved.

As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

This month, your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may

be of some concern for you. Look to next month for some insight into that aspect of your life.

This is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are.

For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt.

William, you are in a generous mode and feel blessed with so many good friends and such a wonderful lover, but when it comes to commitment, you may want to wait a couple of months when you are more realistic in these matters.

For those who are not involved in a relationship, a "co-incidental" meeting with a person from the past brings an exciting romance.

### ***Your Personal Month's compatibility for May 2019 is 9 and 8***

William and Catherine , as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For William, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for William during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Catherine , this is a time when everything feels shaky and insecure.

Catherine needs William right now. Catherine needs the human contact, the commitment and the security William has to offer more than during most cycles. With William's focus on the world outside the relationship, and Catherine needing William's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

William, pay attention to Catherine . You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Catherine 's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, William and Catherine , you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of

your partner is the most important key to making your relationship a long and happy union.

You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

### ***William, your Personal Month for June 2019 is 9***

William, June is a 9 Personal Month in a 3 Personal Year and brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot really put your finger on. It is a time to let go of many old things and prepare for the new.

You have had a number of good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period.

The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during the course of this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

### ***Your Personal Month's compatibility for June 2019 is 1 and 9***

Once every nine years, Catherine and William, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for William, exactly when Catherine is less sensitive than usual. There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger. For Catherine, the most important piece of advice is to give William plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that William is overly emotional. For William, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional. Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

### ***Catherine, your Personal Month for July 2019 is 2***

Catherine, July is a 2 Personal Month in a 4 Personal Year. At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future.

You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Catherine, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented but should be kept out of the work environment, which may not be an easy thing to do.

You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic.

Pamper yourself in healthful ways, such as massage, a new exercise and dietary regime, or some time near the ocean, in the mountains, in the forest.

### ***William, your Personal Month for July 2019 is 1***

William, July is a 1 Personal Month in a 3 Personal Year. It is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

Many of those in a 3 Personal Rhythm Cycle may finally break out of unrewarding patterns. Some may even make career changes, or start their own businesses. This is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved, you may well meet someone special, but the relationship, while intense and passionate, may not be a lasting one.

This is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts which will help your career and other endeavors.

A warning to the easily excitable: don't brag about your plans and accomplishments. The effect may backfire.

### ***Your Personal Month's compatibility for July 2019 is 2 and 1***

William, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Catherine, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Catherine, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Catherine may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other. William will be the engine of change and progress, while Catherine will steer and redirect. However, William will have to be sensitive and careful and not expect Catherine to be as motivated and driven. In turn, Catherine needs to avoid making mountains out of molehills or letting emotions get the better of common sense. William may also have to accept the fact that Catherine is a bit more demanding than usual.

You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application.

You are original in your approach to problem-solving. You receive inspiring ideas and are able to turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights.

You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming a fear. Catherine, you may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

William, August is a 2 Personal Month in a 3 Personal Year. It requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month.

You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is also strongly represented and highly favorable. William, your feelings are strong and your ability to communicate these feelings is enhanced. A good month to spend some extra time with your lover.

### ***Your Personal Month's compatibility for August 2019 is 3 and 2***

William is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving William more vulnerable than usual. At the same time, Catherine is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Catherine feels quite confident and won't dwell on emotions as much as during other times. William, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on William's part, contrary to Catherine who is less

sensitive and intuitive.

The result can be confusion and misunderstandings. Catherine doesn't understand why William is getting so upset about some minor argument, while William wonders why Catherine seems so unattached and distracted, almost as if William's feelings don't matter. This is a time, Catherine, to pay close attention to William and the relationship you have together. For William, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Catherine seems a bit caught up in other things, that's because Catherine feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

### ***Catherine, your Personal Month for September 2019 is 4***

Catherine, September is a 4 Personal Month in a 4 Personal Year. Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success.

However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasis is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. Catherine, you would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes.

Late this month, you will start to see the light at the end of the tunnel, but looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both, your work and your personal life.

### ***William, your Personal Month for September 2019 is 3***

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

### ***Your Personal Month's compatibility for September 2019 is 4 and 3***

Catherine and William, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. ### ***Catherine , your Personal Month for October 2019 is 5***

Catherine , October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

### ***William, your Personal Month for October 2019 is 4***

William, October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off

steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, William, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

### ***Your Personal Month's compatibility for October 2019 is 5 and 4***

William and Catherine , this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for William, and a time of change, excitement, and dynamic energy for Catherine . As a result, Catherine is in a position to help William to keep moving forward and not get too frustrated by the demands of this cycle, and William will be able to function somewhat like an anchor for Catherine . Catherine can certainly use the stable influence of William during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

### ***Catherine , your Personal Month for November 2019 is 6***

Catherine , November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Catherine, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

### ***William, your Personal Month for November 2019 is 5***

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

### ***Your Personal Month's compatibility for November 2019 is 6 and 5***

William is in a cycle of change and highly charged energy. Catherine is in a cycle of stability and responsibility. William's energy is restless and dynamic, Catherine's energy is focused and grounded. William is looking around for opportunity and adventure. Catherine is looking at the home and the family. Catherine's attention is focused near by, on the people and things that matter most. William's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance

each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, William and Catherine, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

### ***Catherine, your Personal Month for December 2019 is 7***

Catherine, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

### ***William, your Personal Month for December 2019 is 6***

William, December is a 6 Personal Month in a 3 Personal Year. The month stabilizes your work-environment, but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result.

It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload.

This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during the course of this year, this is a good month to exchange vows.

This should be a wonderful time for most of those who are in the last stage of this 3 Personal Year. The holidays bring family and friends together, for much love and the rewards of the season.

### ***Your Personal Month's compatibility for December 2019 is 7 and 6***

William and Catherine , you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. William is reaching out to people, Catherine is avoiding them. William is more extrovert than usual, Catherine is seeking peace and quiet.

A positive influence during this time is found in the fact William more tolerant and giving, willing to sacrifice here and there to accommodate Catherine . This is an important and much needed factor to make this a harmonious time. Catherine is not very patient right now and doesn't want to be bothered.

William, it is important to remember that if Catherine seems a bit cool and distant, this has nothing to do with the relationship. Catherine is doing some soul searching and needs to be given some space and distance. Catherine , it is crucial not to forget William and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Catherine . Your relationship with your friends, your family and with William will last a lot longer than this period of self-examination and spiritual exploration.
